VIDEO PRESCREENING REQUIREMENTS

Overall Each piece should be filmed/uploaded as a separate piece of media. No continuous videos.

Slate

There should not be a separate "slate" video; rather slates are to appear at the beginning of each piece. The proper slate for a song is to share the **title** and **show** in which it appears. The proper slate for a monologue is to share the **title of the play** and the **playwright**.

Songs (required)

Applicants should prepare TWO contrasting pieces: One song should be a ballad and one song should be an up-tempo. Each song file should be 60-90 seconds (this time limit includes the slate at the beginning of the piece and is strictly adhered to; please do not upload media files longer than 90 seconds). Songs should be filmed in a ¾ shot, which means the top of the head to the knees should be visible in the frame.

Songs: Option A

- One song should be written prior to 1970. This song can be either the up-tempo or the ballad (student's choice).
- One song should be written after 1970 and contrast the style of the first.

Songs: OPTION B

- Both songs should be from contemporary musicals (any musical written after 1970) contrasting in style.

Monologue (required)

Applicants should prepare ONE 60 - 90 second contemporary monologue (written during the 20th Century - present) from a published play. This time limit includes the slate at the beginning of the piece and is strictly adhered to; please do not upload media files longer than 90 seconds.

- Monologue must be from a published play.
- Monologue cannot be from musicals, television shows, or movies.
- Monologue should be filmed in a "close-up" shot, which means the top of the head to the chest should be visible in the frame.

Dance (optional)

Applicants may choose to submit 30-60 seconds of dance, in whatever dance discipline they are most comfortable with: jazz, ballet, modern, African, hip-hop, lyrical or contemporary. Dance media should be filmed in "full body" shot, taking care to keep the student's entire body in the frame at all times. No matter which option you are filming, the execution of the choreography should be story driven where the applicant is continuing to express a goal.

- No barre work. A ballet solo is acceptable.
- No tap. For applicants that tap, consider showcasing that skill as a Wild Card media. (*see below*)
- Please stick to vocabulary and steps you are familiar with and can execute well.
- Dance media can be self-choreographed or a solo video of you featured in a show, competition or other performance.
- All choreography must be performed to music; no "a cappella" dance media please.

HELPFUL HINT: Applicants are encouraged to keep a full-length mirror behind the filming device so as to see themselves as they execute choreography.

Wild Card (optional)

The Wild Card media is not required. This media can be ANYTHING you want: a special skill, an interesting story about yourself, a passion speech, an instrument that you play, etc. "What do you want us to know about you?" and "What makes you unique?"

- Submissions should be no more than 60 seconds.
- Pop/Rock Songs Encouraged

LIVE AUDITION REQUIREMENTS (on-campus auditions or New York regional auditions)

Prepare two song selections (32 bars to 1 minute per selection) that best represent your work. Selections may be from Golden Age, Contemporary Music Theatre, or Pop/Rock, but should be chosen to demonstrate your strengths, not your weaknesses. We want to see what you do well now, not what you will eventually be able to do. At least one of the two selections should be contemporary musical theatre (90s or later). If you play guitar and would like to accompany yourself on a selection, you may bring your instrument to the audition. A piano will also be available in the room.

Prepare a one-minute, age-appropriate, monologue from a contemporary play – George Bernard Shaw or later.

Students will learn and be evaluated on a dance combination at the live audition. Dance or workout attire is required.

Bring a standard 8" x 10" headshot and résumé to the audition.

Note: The Musical Theatre program requires every invited applicant to make the necessary arrangements to attend a live audition in order to fully demonstrate their skills and potential. Recorded or Skype auditions are NOT accepted, regardless of the applicant's geographical proximity to Shenandoah.
