Need a COVID-19 Test?

**No symptoms:** Unvaccinated individuals must participate in weekly *saliva surveillance testing in Cooley Hall, Room 207.*

If you are vaccinated and asymptomatic but want to take a saliva test, please email salivatesting@su.edu.

**Symptoms:** If you are experiencing symptoms — regardless of vaccination status — that may be related to COVID-19, **please email the Wilkins Wellness Center at wwceneter@su.edu or go to a local medical facility/urgent care to get a test.**

Report positive test results or an exposure using the Shenandoah Go app.
