You must complete this form each time you request a Federal Direct Loan, however completion of this form does not guarantee that you will qualify for any Federal loans we offer. BORROWER ACKNOWLEDGEMENT

I acknowledge that I have previously received a total and permanent disability discharge either through the Federal Family Education Loan Program, William D. Ford Direct Loan Program, or Federal Perkins Loan Program. By my signature below, I clearly understand that any additional student loans I receive must be repaid in full and cannot be discharged in the future on the basis of any impairment present when the new loan is made unless that impairment substantially deteriorates as determined by a physician. I also understand that if I have not successfully completed the post-discharge period for my previously discharged loans, I may be required to begin repayment of those loans.

CONSENT FOR RELEASE OF INFORMATION

I authorize any physician, hospital or other institution having records pertaining to the physician’s certification I have submitted, to make information from such records available to Shenandoah University, US Department of Education, or the holder of my loan(s).
